Property in each Township, other than farmland, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by 33.33%. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact your township assessor's office to review the assessment.
2. If not satisfied with the assessor review, taxpayers may file a complaint with the Livingston County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call (815) 844-7214 or visit livingston.illinoisassessors.com for more information.
3. The final filing deadline for your township is generally 30 days from this publication date, or November 10, 2025. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in these townships. For more information on complaint deadlines, call (815) 844-7214 or visit livingston.illinoisassessors.com.

The following list contains all properties that received an individual change for those townships. The print order is alphabetical based on records of the Office of Supervisor of Assessments as of the date of the creation of this list. The list contains the parcel number, the name of the taxpayer, the assessed value of the buildings (improvements) and the total assessed value according to the records in the office of Supervisor of Assessments. To determine the land assessed value, subtract the improvement assessed value from the total assessed value.

Your property tax bill will be calculated as follows:

$$\begin{aligned} \text{Final Equalized Assessed Value} - \text{Exemptions} &= \text{Taxable Value} \\ \text{Taxable Value} \times \text{Current Tax Rate} &= \text{Total Tax Bill} \end{aligned}$$

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, contact the Livingston County Supervisor of Assessments Office at (815) 844-7214.

If you have any questions on this heading or on property assessed value, please feel free to contact the Livingston County Supervisor of Assessments Office at (815) 844-7214 or by mail at 112 W Madison St, Pontiac IL 61764 during normal business hours of Monday – Friday 8:00 am – 4:30 pm.

All equalized assessed valuations are subject to further equalization and revision by the Livingston County Board of Review as well as by the Illinois Department of Revenue.
